

New Beachfront affordable project “Kerobokan Beach”

Affordability on the Beach - Our affordable Kerobokan Beach Project is for those interested in having a new, yet affordable, Villa on the beach.

Kerobokan beach is close to Singaraja city and only 25 minutes from Lovina.

Kerobokan Beach maintains beautiful surroundings including rice field scenery and views of the mountains in the south and unobstructed views of the ocean.

This is the perfect location to build a beachfront villa for you own enjoyment or for vacation rental income.
